When Better Automobiles Are Built, Buick Will Build Them

No. 15

Question: Why is a Buick so safe and so easy to steer?

Answer: Because of Buick's wonderful steering mechanism. It is the most expensive type now installed on any motor car—and worth the difference because it adds to Buick performance still another point of superiority.

OBSERVATIONS

(Continued from Page One)

from every point of view, and that that date should be made the occasion of an annual observance of Defense Day.

We already have something to celebrate on Armistice Day—the end of the most devastating war in which mankind ever engaged, the triumph of the principle of democracy over the principle of despotism.
